- The Department of Human Services (DHS) will incur a one-time increase in expenditures for programming changes to the Child Support Income Share Worksheet and Web Calculator. DHS will contract for such services which are estimated at \$13,400 for 170 hours of analysis, design, coding, and testing of the program.
- The Child Support Enforcement program is funded through both state (34%) and federal (66%) funds resulting in an increase in state expenditures of \$4,600 and federal expenditures of \$8,800.
